

## **International Presentation Of Performers**

This letter is to introduce Sophie and Émilie Couture who are performers from Québec, Canada and have been invited to audition and perform with the NYLA Talent at the International Presentation of Performers. They are looking for donations to sponsor their opportunity.

The performers (actors, models, singers and dancers) who will attend this prestigious event have been studying to develop and advance their skills. Each one will have the opportunity to show their talent to judging panels consisting of today's top agents, managers, casting directors, and industry professionals. Those who are selected at auditions will perform in a professional showcase at iPOP!'s Celebration of Success Award Night, where the top international agents will be seeking their next new star.

Thank you for your support of these young performers!

Sincerely,

Mom Marie-Ève Mongrain

## Letter from Sophie Couture

Hi,

I am Sophie Couture, I am 6 years old and I live in Québec, Canada. I have dreamed of being a fashion designer for a long time, and I love to draw dresses in my sketchbook. I have found a love for make up and hair style watching Youtube as I myself am discovering my own style.

This opportunity to show my skills at iPOP in Los Angeles, this July, as an actress and model is incredible and I am looking forward to it because I get to experience the real event, and not just an online event; it will be refreshing after these past couple years. I get to meet people from all around the world and learn more about the showbusiness industry.

In the last couple months of working my NYLA Talent, I have gotten out of my shell and can express myself with more ease in front of people, a skill I am taking for life. Your support is appreciated as I get to live an incredible adventure! All of our dreams can come true when we believe in them, and I do. You can find me having fun on some Tik Tok video on my mom's account @mariemongrain90.

Thank you so much for your love!

Sophie Couture

## Letter from Émilie Couture

Hi,

I am Émilie Couture, I am 5 years old and I live in Québec, Canada. I have the privilege to have been chosen to participate at the amazing event iPOP in Los Angeles happening this July. In January, I did an audition with a 50 second monologue about becoming a queen and the people loved it.

I enjoy wearing beautiful clothes, and found out that I love face painting. I do them all the time to myself with my mom's face painting kit, which she lets me use. I am becoming quite an artist actually. I also love playing pretend with my dolls, which I know is like acting. Making up scenarios is activating my creativity and imagination. I love dancing and singing and this exclusive event on invite only is one way for me to learn to express myself in a safe environment where people are fully supported and loved for who they are.

I want to thank you so much for supporting me discover who I want to be and giving me the chance to explore this world, and create my dream life, whatever it will look like. I am getting the basic skills for communication and expression which is a must when reaching for the star.

I wish you an amazing day!
